

OASC News and Notes

The Oconomowoc Area Senior Center is the go-to place providing educational, recreational, social, and wellness opportunities for seniors.

Notes From President Ginni Hicks

December—a time of fun, family, giving, believing, wishing, hoping, and trusting. One could argue that all the months might be the same, but December has a special sparkle. As the holidays bring out the child in almost all of us, let's allow that child to shine and give it free reign.

We had the OASC Election! Congratulations to newly elected Board Members Jon Griesse, Jerry Tyrakowski, and Terry Williams, and returning members Ginni Hicks and Lisa Stafford. All were elected for a three-year term from 2026 through 2028. For those not elected this year, thank you for your dedication, and we encourage you to try again next year.

A special thank you and hats off to our retiring Board Members Barb Baker, Pat Porter, and Karen Warnes. You have helped us become a thriving Senior Center. Words truly do not express our gratitude for your dedication, hard work, and passion for the Center. From committees, to activities, to events, your willingness to volunteer your time has been unending. THANK YOU!

MEETING: AARP does not hold meetings in December through March.

AARP membership provides information about issues impacting Americans 50 and older. For example, an article "Millions of Older Adults Eligible for Both SNAP and Medicare" in the October 8, 2025, *AARP Bulletin* covered the SNAP and MSP programs for seniors.

Millions of American seniors age 65 and older have limited financial means resulting in difficulty paying for key necessities of medical care and groceries. Medicare Savings Programs (MSP) and the Supplemental Nutrition Assistance Program (SNAP) are key programs that provide financial assistance for older adults with low incomes. Historically eligible older adults have had low participation rates in both programs.

Key programs are:

- **Medicare Savings Program (MSP):** Pays premiums, and sometimes out-of-pocket costs, for eligible Medicare beneficiaries with limited financial resources.
- **Supplemental Nutrition Assistance Program (SNAP):** Provides financial assistance to eligible low-income households to purchase groceries.

Around 5.5 million (or nearly 1 in 10) adults ages 65 and older were eligible for both SNAP and MSP programs. AARP research shows that participation in MSP's and SNAP is low among eligible older adults. Older adults were eligible for an average \$162 per month in SNAP benefits, and one in six qualified for over \$300 per month. Aligning eligibility criteria and promoting data sharing between agencies could facilitate higher enrollment.

If you are a national AARP member, you can join the local chapter for \$5 a year. Why not join now and share the excitement of shaping the years ahead!

(Pres. Notes cont'd from Page 1)

December is also the end of another year. It is a perfect time to reflect on the great year OASC has experienced. We have grown our membership, activities, and participation. A look at the numbers:

- **Membership:** 996 members, including 192 new members
- **Participation:** 13,000 check-ins with 62% unduplicated members
- **Volunteers:** 237 individuals giving 10,300+ hours of hard work and laughs
- **Activities:** 160 per month including our new beginner ping-pong, International Dance, Tech with Kate, Indoor Pickleball, chair yoga, beginner line dancing, hosting a weekly lunch gathering, and more!

The numbers are impressive, but the real plus? Walking into the Center, joining a social gathering, learning a new game or activity, tasting so much delicious food, listening to the experts about our emotional and physical health, and many other topics. And then walking and talking, and talking and laughing, and laughing and crying. Connecting together is why the OASC exists.

Where will that all take us in 2026? As our growth brings many opportunities, the need to take a look at our future becomes very important. Our OASC Strategic Planning Committee is doing just that—asking the questions. What does the OASC need to do? Will our space keep meeting our needs? Will our finances stay on solid ground? Which new direction should we pursue? How do we get the word out to more members and communities? There is much to be researched, reviewed, discussed, and put into place. Have ideas or want to help? Please call me at 414.640.8080. We would love to connect.

Be on the lookout for the OASC's annual fund drive letter. With more than 98% percent of the OASC's operations performed by volunteers, the majority of your donation goes to programs, activities, operations, or needed maintenance of the Center. From the bottom of our hearts, we THANK YOU for your consideration.

The hustle, bustle, energy, and excitement of walking into the Center meeting new friends, joining games, and learning together indicate how much the OASC is needed. Step out, get in a car or call Silver Streak for a ride, and come join us. A vibrant community awaits you.

Wishing you all a childlike, joyful holiday season,
Ginni
