*The Oconomowoc Area Senior Center is the go-to place providing educational, recreational, social, and wellness opportunities for seniors.*

## Notes From President Ginni Hicks

Happy February—short, sweet, and full of laughter and cozy moments at the OASC!

On January 2, the OASC Board elected the 2026 OASC Officers: President Ginni Hicks, Vice President Don Swain, Secretary Peg Burow, Treasurer June Anderson. Congratulations to those elected, and thank you to the Board for your confidence. We look forward to doing our best for you, the members, as we continue to work hard to create the best senior center in all of Wisconsin.

On a personal note, I am honored and thrilled to serve as your President for another year. Our Center has earned an outstanding reputation for quality programming, meaningful connections, and a welcoming, friendly atmosphere. I want to be clear: YOU are the reason for that. As part of our impressive 64% active members, you already know that the heart of the OASC is creating a place where seniors can thrive as we age gracefully, actively, and together.

MEETING: AARP does not meet December through March.

Membership in AARP keeps you informed about many issues that impact Americans 65 and older, so let's review a recent communication from AARP.

The following excerpt is from *Second Round of Medicare-Negotiated Price Cuts Expected to Save Billions in Drug Costs in 2027* by Tony Pugh from the November 25, 2025 AARP Bulletin:

The Federal Government announced Tuesday, November 25, fifteen additional expensive, widely used prescription drugs will have lower negotiated prices for Medicare beneficiaries in 2027. Approximately 5.3 million beneficiaries use those medications, counting towards \$40.7 billion in Medicare Part D spending. These drugs are used to treat conditions such as asthma, cancer, chronic obstructive pulmonary disease (COPD), and diabetes. The expected results from the price negotiations is estimated to save \$8.5 billion to \$12 billion a year between drug companies and the Centers for Medicare & Medicaid Services (CMS). The reduced prices must be made available to Medicare beneficiaries on January 1, 2027. Reduced prices must be made available to eligible Medicare beneficiaries along with being included with covered drugs for all stand-alone Part D plans available to people in original Medicare and Medicare Advantage prescription drug plans.

Approximately \$685 million of savings is expected for Medicare Part D out-of-pocket costs. Dr. Myechia Minter-Jordan, AARP's CEO, states that "Older Americans across the political spectrum consistently say that lower drug prices are a top priority, and these negotiated prices will bring meaningful relief to millions of people on Medicare."

The first round of Medicare drug price negotiations impacted 10 medications in 2024 and resulted in lower prices which will take effect in 2026. Medicare enrollees are expected to save \$1.5 billion in out-of-pocket costs in 2026.

### OASC Policy

For the safety of all members, our facility is smoke-free, tobacco-free, and alcohol-free. Firearms are prohibited in the Center.

(Pres. Notes cont'd from Page 1)

We also know many seniors in our communities haven't yet walked through our doors. Let's work on that this year. I am genuinely asking, "What can we do better?" You know I love a good cup of coffee—give me a call and let's have a conversation. Some of the best ideas start that way.

Now, let's celebrate a bit. Last year, we reached 1,021 members. What does this tell us?? Seniors love connection, fun, joy, learning, and staying physically, mentally, and socially active! Definitely something for all to be proud. It is obvious you are spreading the word—thanks!!

Which brings up the friendly reminder for you to stop in at the Center and take a moment to renew your membership if you haven't already. And while you are at the OASC, perhaps this is the year to sign up for a new activity, game, presentation, trip, lunch, or anything offered—oh so many! Then, pour yourself a cup of coffee, and have a conversation with someone. What more could you ask for? A morning out, a good cup of coffee (or tea, or water, or soda . . .), a good conversation, and who knows? Perhaps a new friend.

This is also the time of year we begin appointing the 2026 committees. Wait! An opportunity for you. We welcome volunteers with open arms to share their time, skills, and energy. Whether it is helping plan or enhance activities, organizing or facilitating games and classes, supporting fundraisers, serving on a committee, or as a desk volunteer, there are many ways to get involved. Interested in Marketing? Membership? Fundraising? Events? Strategic Plan Implementation Teams? Opportunities abound. Again, just give me a call.

We also want to take a moment to thank the many individuals and organizations who have donated to our annual fund drive. If you haven't had the opportunity yet, please consider helping keep our OASC affordable, vibrant, full of life, and safe for all. Every dollar helps!

In closing, thank you—again and always. It can never be said too often. Your continued support, patience, participation, acceptance, and flexibility are always greatly appreciated.

*Happy February, Ginni*
