

OASC News and Notes

The Oconomowoc Area Senior Center is the go-to place providing educational, recreational, social, and wellness opportunities for seniors.

Notes From President Ginni Hicks

Welcome, July! Happy 38th birthday to the Oconomowoc Area Senior Center, and a happy 250th anniversary of our nation's independence. July reminds us of the freedom we enjoy in America and the friendships, purpose, and community our founders and OASC members have built over the last 38 years.

People often ask, "What makes our Senior Center different?" Is it the activities? Volunteers? Programs? Friendships? Yes! There are many great opportunities for seniors in our communities, and we celebrate everyone. But I, for one, believe that the OASC is the best! Why? Because it is a community where all seniors (young, middle, and old) can stay active and grow. It is a place where other members know your name, notice when you've been gone, celebrate your successes, and walk beside you through life's challenges and tears. OASC members make all the difference!

Walking into any activity, I often stand back in awe at the camaraderie, joy, and connection between the members in the room. They get it! They understand the importance of what is happening. And that knowledge makes the OASC community stronger and even more

special. Thank you for stepping out, having fun, and joining our OASC COMMUNITY.

Much of our success is due to the vision, planning, and commitment of members over the past 38 years. In 1988 our founders couldn't possibly have imagined 1,000 members, over 170 monthly activities, and a Center operating 7 days a week. What they did envision was a place where seniors would always belong. And so, they stepped up and looked beyond the day. They planted the seed whose flower we completely enjoy each day!

THANK YOU to every founder, volunteer, Board member, facilitator, and member who helped build the OASC! Now it is time to strengthen that vision, care for it, and build upon their legacy so the OASC continues to serve all seniors in our area communities long after we are gone.

Speaking of the future, many members have asked about the Center's space needs. Conversations have been overheard, rumors have circulated, and questions have been asked. So, where are we?

The Strategic Planning Committee has spent many months studying the OASC's future needs.

- We love our current space!
- We make use of every square inch of it.
- We realize our continued growth brings challenges and wonderful new opportunities.
- We remain committed to staying independent, inclusive, fiscally sound, warm, friendly, and available to all seniors in our communities.

The Committee's recommendations will soon be presented to the Board of Directors for review. No decisions have been made. No plans have been approved. However, one thing has become very clear—we have outgrown our current space.

As we celebrate the OASC's 38th birthday, thank you for being part of this remarkable journey in our community. The OASC didn't become what it is by accident. Others built it for us, and now it's our turn to care for it and prepare it for the seniors who come after us. I can't wait to see what we accomplish together. Perhaps this is the year you volunteer, chair a committee, welcome a new member, help with a fundraiser—or even consider serving on the Board of Directors. Leadership begins with simply saying, "How can I help?" And that is how each part of the OASC story has been written.

Happy birthday OASC! Happy Independence Day to all!

See you at the Center. Ginni
